In lieu of a statement of relevance or the translation of the non-English document listed on the accompanying PTO-1449, Japanese Patent Application Publication No. 2001-028771, an English-language abstract of the non-English document is enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicant determines that the cited document does not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If a check for the required fee is not filed concurrently herewith or if there are any additional fees due in connection with the filing of this Terminal Disclaimer, please charge the fees to our Deposit Account No. 06-0916.

The undersigned is an attorney of record.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
